PLEASANTVILLE LIONS CLUB

Chartered 1931

"We Serve"

Lions International Mission Statement

"To create and foster a spirit of understanding among all people for humanitarian needs by providing voluntary services through community involvement and international cooperation"

The Pleasantville Lions

Lions International has an illustrious history dating to 1917. Today, there are more than 1.4 million Lions in 190 countries and geographic areas worldwide. The ideal is one of service to the community without regard to race, color, religion, sex, handicap, familial status, national origin or the personal interest of the member. In 1925, Helen Keller challenged the Lions to a “crusade against darkness.” Since that day, Lions throughout the world have been tireless in their help for the blind and the visually impaired.

The *Pleasantville Lions Club* was chartered in 1931 with a strong emphasis on service to our local community, especially to the visually impaired and the critically ill patients at the Rosary Hill Home. The *Pleasantville Lions Club* raises money to support the *Club’s* various charitable activities. The *Club* contributes to both local worthy causes and people in need worldwide.

Membership in the *Pleasantville Lions Club* is by invitation and is open to men and women who believe that their involvement in the community can make a difference. The *Pleasantville Lions* meet once each month at a local restaurant to plan their activities. Guest speakers at these meetings include representatives from the various charities and organizations that receive assistance from the *Pleasantville Lions*.
